RE: Triangle Pacific Corporation/Lodi, California
Notice of Plant Closing

Dear Mayor Snyder:

This letter is to provide you with the notice required by the Workers Adjustment and Retraining Notification **Act** (WARN) with respect to a plant closing.

Effective December 12, 1992, our manufacturing facility located at 300 South Beckman Road, Lodi, California, will be permanently closed. It is our intention to cease all operations at that facility. The Company person to contact for further information is Edward Bograd, Esquire, whose telephone number is (704) 376-9111.

The following is a list of job titles of positions that are affected and the number of persons in each position who will be affected by the permanent closing:

Mayor Snyder
October 16, 1992

Salesman	1

There is a collective bargaining agreement between the Company and Local Union No. 1304, United Steelworkers of America, AFL-CIO. This agreement contemplates that in making a layoff employees will have the right to **bump** less senior employees, as long as the employee doing the bumping has the appropriate skills to **so** the job. However, since the closing will involve the termination of all employees, the bumping provisions of the agreement will not be a factor.

Mayor Snyder
